

10-10-12 is a plan to help you Fund the Mission without breaking the bank!

Our Church Board ratified this concept to increase our giving for a twelve month period. It works like this:

- **Increase my tithe of 10% by 10%.**
- **Do this for 12 months.**

This means that I will, by faith, increase my giving by 1% during the year of 2012. This will, if everyone is on board, increase our giving by **\$75,000** this year.

Our vision for our church, as established by our Church Board at our last Vision Planning Meeting, we felt that the greatest need in our community and our church is in the area of family life. Therefore, we sense the Lord's leading to become a **Family Church**.

That means that the entire family – whether single parents, traditional families, seniors, singles, teens or children will find a place to belong. In order to do this, we need some extra money. Your giving will help us accomplish the following:

- **Hire a Family Life Pastor.** Pastor Matt and Jacki are now on board, and we need to be able to assist them as they dream for the future.
- **Place a clear focus on families.** Pastor Matt is *beginning* this journey by establishing a new Children's Church program called "**The Living – Room**".

- **Our teens will be re-focusing their energy on becoming even more missional.** We are helping teens that may not be able to afford some of the activities and events that we are scheduling. *Our Students will be teaming up with NMI to go on a Spring Break Mission trip.* You will help in this area as they strive to make disciples through their actions.
- **We need more space to grow our Sunday School.** Your assistance will help us dream big dreams until we can relocate to our new property. Perhaps a portable building – but *something* to help us keep growing.
- **A ministry to married couples.** Not all marriages are struggling – but we want to continue to reach out to our married couples and let them know that they can make it!
- **A Christian Dating Service.** No – we are not doing this. Just checking to see if you are still actually reading this thing!

You have been so faithful in your giving. Your leadership is very grateful for your tithes and offerings. If the Lord leads you to do this, then please help. If not, just keep giving whatever the Lord has laid on your heart. No pressure!

Will you help us to reach out even more with the love of Jesus Christ?
